FRONT LINES 2015 West Valley Line

Construction has begun on the TRAX bridge over I-215 on the south side of 3100 South. The foundation work for this structure includes driving steel pile into the ground using a machine that may generate significant noise and vibration for local residents. To help alleviate impacts, pile driving activities will take place over the next few weeks and will be limited to the hours of 7:00 a.m. to 5:00 p.m. Monday through Friday. Please feel free to contact our hotline at 1-888-800-8854 if you have any questions or concerns. **Thank you.**

TRAX bridge construction begins with pile driving activities over the next few weeks.

Work limited to daytime hours due to noise and vibration.
